Willits a committee, consisting of the District Superintendents was ordered to formulate a suitable resolution. The committee reported as follows:

Whereas, The information has reached us in the midst of our present session of the recent translation to his eternal home of our beloved and venerable friend and brother, the Rev. Francis W. Evans, D. D., the senior member of this conference, he having been admitted on trial therein fifty-seven years ago, in 1851, and whereas he has uniformly sustained himself as a man of consistent and devoted piety, an able minister of the Word, a keen debater and defender of the faith, a faithful pastor and wise administrator whether in the pastoral field or as the presiding officer of a district, competent and tried when representing his brethren in the higher courts of the church, and attracting by his eloquence the multitudes who were of his hearers, therefore,

Resolved, (1) That we bow to the decision of that wise and loving Providence which has removed him, "a shock of corn fully ripe and ready for the Master's garner." (2) That our earnest sympathy is hereby extended in their bereavement to the widow and the surviving children of our departed brother. (3) That Rev's D. C. Smith, J. C. Kendrick, W. G. Wilson, G. W. Byrket be and hereby are appointed to represent this conference at his funeral. DISTRICT SUPERINTENDENTS' REPORT.

BURLINGTON DISTRICT.

In submitting this report of Burlington District I am gratified to record that the past year has been marked by goodly fellowship in all our churches. The arduous labors of the pastors have resulted in appreciable fruitage and a generally wholesome spiritual condition as a result. The health of pastors and their families has been good. Bro. Robert Pool, threatened with a nervous prostration, was granted a leave of absence by his quarterly conference. In Oklahoma through absolute rest and freedom from responsibility, he has recuperated his vitality and returned in July to resume his work. Bro. Fred Smith, graduate of Iowa Wesleyan University, has done commendable work as a supply in the absence of the pastor. Bro. Smith is recommended for reception on trial into the conference. Excepting the case of Brother Pool, no pastor has been compelled to abandon his work on account of sickness.

The pastors, without the aid of evangelists, have held special meetings. These have resulted in a handsome increase in the church membership.

The financial interests of the District are in fair condition. The increase in pastors' salaries this year is about \$1,200, making an average cash salary of \$960. The financial plan adopted in nearly all churches is disciplinary.

Reference was made in my last year's report to two church enterprises, viz., Ainsworth and Winfield. The church at Ainsworth was completed in December at a cost of ten thousand dollars and dedicated free from debt. At Winfield a very imposing edifice was dedicated on the 9th of February. It is complete in all its appointments. The cost of this beautiful structure was twenty-five thousand dollars. Recently another enterprise was undertaken in Burlington. A society of twenty-seven members was organized. Hope Chapel was purchased from the First Presbyterian church. To put this property in first class condition will involve an outlay of two thousand dollars. This field is one of the most inviting of which I have knowledge.

At Salem the last dollar has been paid on the indebtedness. The same is true of Grace church, Burlington. At Stockport, through the generosity of a friend and co-operation of the church, a parsonage is being constructed, looking forward to residence of a pastor in the near future.

The Sunday school is assuming a large part in the evangelistic work of the church. I am convinced that the Sunday School officials

and teachers can, more than others, supplement the work of the pastor in winning the children and young people for Christ.

The Epworth League of the District is alive and aggressive. The District Convention held at Mt. Pleasant in May was the largest in attendance ever held. The religious enthusiasm was a blessing to the students at the University.

The two sessions of the District Conference have been held. One at Stockport in October, the other at Ainsworth in July. Brother Cooper in the interests of the Anti-Saloon League awakened new life among the brethren for a forward movement in the state against the liquor traffic, in favor of law enforcement and enactment of a prohibitory amendment. Brother Patterson likewise by his addresses intensified the interest in the work of raising the permanent fund. At the summer session President Schell of the Iowa Wesleyan University addressed the brethren in the interests of education. He was heartily welcomed in his new work. We believe we have the right man for the right place at the right time.

As treasury of the University I desire to report that the past year under the administration of Dean Piersel, has been one of the very best in the history of the institution. The outlook for the new administration is most encouraging. There will be beyond doubt, an increase over last year or any previous years, of the student enrollment. We have no rooms to let in Hershey Hall. Your committee, appointed by the Board, to place fire escapes to the Ladies' Hall, have done so in the construction of a stairway to the north of the building and a ladder on the south. The President's residence has been put in first class condition. I need add nothing more. The University and its varied interests will, I doubt not, have due consideration during the session of the Conference.

In most of the churches of the district the ladies are organized into Aid Societies which are valuable auxiliaries to the local churches, financially and socially. The Methodist Brotherhood, of which we have as yet but three or four, are in the experimental stage of their existence. We entertain hope of good and of efficient service from these Methodist Brothers.

As soon as practicable, the entire amount asked from the District in support of the varied benevolent interests of the church was apportioned to the several charges. The pastors have been faithful in presenting these causes. The collections will show in the aggregate something of an advance over the last year. I may mention Missions, Home and Foreign. The total raised is \$5841 an increase of \$827. The total for Iowa Wesleyan University is

\$1448 being 20 cents per member. The woman's Home and Foreign Missionary Societies are alive and aggressive, each of which have gathered quite large sums for their respective societies, the amounts of which I am not able to report.

I judge from the reports of pastors that the list of subscribers to our church papers is comparatively small as to the number that should be taken. The Epworth Herald in many homes is taking the place of the Advocates, and is growing in favor with the older people as well as with the younger. The Missionary and Sunday School literature is having a generous patronage, and is highly commended by the people of the church and especially by all Sunday School workers.

And now brethren a closing word. We have aimed in all our work and administration to be faithful in the varied demands and intents of our Methodism. The Pastors of the District, I am pleased to record, are preachers of the work and faithful Shepherds of the flock of Christ. They seek first to have their folds Christians and then loyal Methodists.

To the brethren of the Conference I acknowledge my unworthiness of the honors conferred upon me from time to time and shall ever bear a profound sense of the Christian fellowship we have had with you during the years and never to be unmindful of the faith you have imposed in me. I close my work as a District Superintendent with a prayer for you and your families and for all the churches with whom we have had official relation, and especially shall we remember those churches who have resolutions and other tokens of good will have remembered us. The years, with all their opportunities and responsibilities are gone. We ask God to forgive where there has been mistake and failure, to grant us his grace and blessings more and more and to keep us until we shall see Him whose we are and whom we served with all his Saint in glory.

Respectfully,

T. J. MYERS.

Keokuk District.

Dear Fathers and Brethren:

It is with pleasure and feeling of thanksgiving that I present to you my fifth annual report of the Keokuk District.

The past year has been one of faithful labors in the Master's cause. The year opened with each charge supplied with a pastor, and with but one exception the brethren have continued in labors abundant till now. Owing to failing health of the pastor's wife, Rev. Geo. H. Wehn resigned his work at Montrose the 5th day of

April, and Rev. Wm. S. Handy was changed from West Grove to succeed him, Rev. S. H. Sperry, a local deacon, taking his place. The health of the pastors and their families has been good, no deaths or serious illness having invaded the parsonage homes.

MINISTERIAL SUPPORT: During the past five years there has been a healthy growth each year in the amount allowed for ministerial support. In 1903 the amount allowed was \$22,409. This year it is \$26,336. An increase of \$3,927, giving an annual increase of \$786, not counting rental of parsonages. This gives an average allowance of \$877. There are four pastoral charges within the district that are really missionary territory. If we eliminate these the general average for ministerial support will approximate \$1,000 and parsonage.

BUILDING AND IMPROVING: Again the Keokuk District makes marked advance in building and improving churches and parsonages. Birmingham paid the debt on the parsonage, painted and otherwise improved the church at a cost of \$850. Bloomfield cleared up an old debt, built cement walks and approaches to the church, adding very greatly to the appearance and convenience of the property at a cost of \$900. At Eldon the old parsonage was sold and a most eligible brick house with ample grounds purchased at a cost of \$1,800. At Farmington a very troublesome and long standing debt against the church property has been paid off, the church beautifully frescoed, new brussels carpet laid and the building repainted within and without. Cement walks and approaches have also been laid about the building. The parsonage has been repainted within and without, new screens hung at all the doors and windows, and all outbuildings repainted, making the entire property as good as when new, at a cost of \$1,300.

First Church Ft. Madison has enlarged and very greatly improved the parsonage, making it one of the best and most modern of the parsonages in the district, at a cost of \$1,100. Santa Fe Avenue church was discovered to be giving way, owing to water undermining the northwest corner of the buildings. This necessitated strengthening the foundation. While at it, ample room for furnace and fuel was provided. Other improvements on the church and parsonage were made, all at a cost of \$1,033.

Keokuk, "the storm center for the past for years," has gained a great victory. Sunday, May 31st, the new church was dedicated. Joseph W. Powell had charge of the finances. There were \$12,000 required to cover the entire cost of the building and grounds, and \$14,000 were secured. This great victory places Methodism in the front, and has "provoked to good works" our sister churches in Keokuk so that two splendid churches are in the course of construction, while two others have been refitted. The result is at

least \$125,000 invested in new church property. The cost of our Trinity church is \$41,000.

The church at New Boston was totally destroyed by a cyclone early in the summer. Fortunately the church was amply covered by insurance, so that without embarrassing them, a larger and better building will be erected.

Mt. Sterling has purchased the best residence property in the town for a parsonage. It is new and modern with eight rooms and cement cellar. There are four lots well set with fruit and shade trees, ample barn and out buildings, at a cost of \$2,050.

Donnellson has paid the debt on the parsonage and put down cement walks about the church, installed a lighting plant, at a cost of \$460.

In my last report I spoke of the striking by lightning of our church at Mystic, and of the plan to enlarge the church building. This has been done. We now have one of the best and most beautiful churches in the district.

The new building was dedicated April 19th. Rev. Elias Handy had charge, preaching and managing the finances. The entire cost of the building and a combination pipe and reed organ, amounting to \$3,350, has been paid.

The old parsonage at West Point was sold, and a very cozy property has been bought down in town, at a cost of \$800.

At Milton the parsonage has been repainted and cement walks and approaches laid about the church, at a cost of \$275.

Centerville has purchased one of the best pipe organs within the state, at a cost of \$4,400, Andrew Carnegie graciously giving of this sum \$1,250. The total amount raised for all building purposes is \$6,038.

BENEVOLENT COLLECTIONS: Owing to the fact that so many of the charges have been making improvements on the church property, and to the panic which struck the country early in the year, and further to the fact of the very unfavorable crop prospect early in the season, I greatly fear that our steady advance for the benevolent causes of the church will not be maintained.

REVIVALS: The spirit of revival has been prevalent, but not to the degree nor the extent we had hoped; yet there have been gracious revivals in many of the charges. The most marked have been in the Birmingham, Exline, First Church Ft. Madison, Santa Fe Avenue, Keosauqua, Keosauqua Ct., Farmington, Mystic, Pulaski and Unionville charges. The most far reaching was at Mystic, where there were 255 professed conversions and 170 accessions to the church.

TEMPERANCE: We rejoice at the constant rise of the temperance tide that is sweeping over the land, and for the advanced

ground occupied by our church as voiced by the action of the late General Conference. The slogan sounded, "A saloonless land and a stainless flag," has the ring of victory in it, and we wish to commend the heroic battle against the liquor evil led on by our own dauntless leader, Rev. C. S. Cooper, District Superintendent of the Anti-Saloon League in the state.

CHRISTIAN EDUCATION: The cause of Christian education holds a large place in our hearts, and we rejoice in the hopeful outlook for students and for a general advance in our own Conference school, the Iowa Wesleyan University, under the leadership of the brilliant and able president, Dr. Edwin A. Schell. On behalf of the ministers and laymen of the Keokuk District I extend to him a most hearty welcome and pledge to him our loyal support.

PERMANENT FUND: We are pleased to learn of the continued interest shown in the Permanent Fund for Conference Claimants. For the first time in our history the General Conference has recognized the right relations that they sustain to the church. From this time on these worthy veterans of the church will no longer be looked upon as **dependent pensioners**, but are put where they by right belong, on a pro rata basis with their ministerial brethren and will share with them for **services rendered**. I congratulate our financial secretary, Rev. R. L. Patterson, for his most faithful service rendered for our Iowa Conference Claimants.

GRAHAM PROTESTANT HOSPITAL: The Graham Protestant Hospital, located at Keokuk, has passed another very successful year, being the property of the W. H. M. Society of our church, and located within the bounds of our Conference commends it to our patronage. The patronage of the hospital has so far outgrown the accommodations for patients that the management is compelled to enlarge the building. Hence plans have been drawn for the erection of one wing of the proposed new building, and the local Board of Management will ask this Conference to request the appointment of a Field Agents, whose salary is guaranteed by the Local Board of Management and will in no way be a claim against the Conference.

DISTRICT GATHERINGS. Two very helpful District Conferences, one Epworth League Convention, and one each of the W. F. M. Society and W. H. M. Society have been held during the year.

SUNDAY SCHOOLS: The enrollment of our Sunday Schools continues to keep pace with the total church membership, yet it remains a great problem in the country charges to maintain the Sunday Schools. The two crying evils mentioned in our last annual report—Sunday visiting and Sunday base ball, remain and are practiced to an alarming extent, making it out of the question in

many communities to get the people to attend church and Sunday School.

METHODIST BROTHERHOOD: By the unification of the various brotherhoods into one, and the official endorsement of this by the General Conference, constituting it a branch of special activity for men, we seem to have the cycle of organizations within the church completed. In some of the charges we have flourishing organizations which are greatly beneficial.

EPWORTH LEAGUE: I regret to report that the Epworth League is not as vigorous as it should be in some of the charges. How to bring it back to the work it was originally designed is a perplexing question. At first the league was a mighty force in building up the spiritual life of its members. Now it seems to lay emphasis upon other departments of League work to the neglect of the spiritual. The cause for this is not easily found, but the fact is apparent. I would not council neglect of the other departments of work, but would urge the more weighty matter of the spiritual life and development of our young people. Perhaps a too close adherence to the form for our devotionau meetings may be one reason for the spiritual decline of the Epworth League chapters in many of our charges.

LADIES AID SOCIETIES: To this vital department of church activity the church ever looks in time of financial need, and seldom looks in vain. How any church can satisfy itself without utilizing this mighty arm of power I am unable to see. In most of the building and improving enterprises carried on within the district, the ladies societies have ever been prime factors.

I wish to record my thanks to the pastors and their families, and to the various Quarterly Conferences, for the uniform courtesy and kindness shown me during the year, and for the gracious hospitality enjoyed in many of the homes of the people.

To our Heavenly Father we owe every perfect gift, and for which we record our heartiest thanks. His care over us in sunshine and in shadow claims our highest praise.

Respectfully Submitted.

A. V. KENDRICK.

District Superintendent.

MUSCATINE DISTRICT.

My Dear Fathers and Brothers in Christ:

It is with a deep sense of gratitude to God and to my Christian fellows that I present this report of the Muscatine District to the Iowa Conference. All the pastors have been diligent and faithful, and many of their labors has shown fruit already and many labors

will show fruit hereafter. I found the District as well manned as I have ever known it except possibly in its superintendency.

Soon after the close of last Conference every man was in his place and at work, and was well received by our loyal people. It has been an unutterable joy to serve Christ this year as superintendent of this District. At the beginning the people increased their pastors' estimated salary a little over \$1,400.00 on the whole, and several pastoral charges have declared their intention to so increase next year.

The District has had great and blessed revivals in almost all the charges and on some circuits several revivals have come, and there have been revival efforts in every charge and the pastors have done fine work in caring for the probationers and the new members received. I have assisted the young and unordained preachers by baptizing over one hundred persons for them and besides they have called to their aid others to baptize their converts, viz., Bro. Hamk, Bro. Fry, Bro. Hanley and Doctors Schrecken-gast and Willits.

I suggested to the pastors to form classes of probationers for instruction in the doctrines and disciplines of our Church, the nature of the Holy Sabbath, the Sacraments of Baptism and the Lord's Supper, the different forms of church government as compared with ours, and the moral, religious, social and intellectual value of attending all the church services, especially the preaching by the pastor.

The district has been ablaze with revival fires from end to end and from side to side. As I went on my quarterly rounds and walked into the churches, I felt the power and grace of a revival atmosphere throughout. I judge that nearly two thousand persons have been converted this year in this District, not counting those of W. A. Sunday's meeting, who did not unite with our church, but counting those in and around Muscatine who united with our church. All our pastors deserve special mention for the noble work they have done, and our people deserve the same, but such mention for all these is impossible in a report like this. Some of these revivals have been with the help of evangelists and others by the pastors without evangelists. At Washington, Bro. U. S. Smith alone with his people had a great revival with about one hundred conversions. At Letts, Bro. Longnecker had a similar time, over ninety being converted. At West Liberty, Bro. Hanley had two hundred conversions, one hundred and twenty-five uniting with our church and seventy-five uniting with the Presbyterians and the Disciples.

This is a sample of many of our revivals. Many who are con-

verted at our altars join other churches because they belong to families rooted and grounded in other churches. Thus our pastors have manifested an immense overflow of evangelistic power, blessing others as well as ourselves. Nearly all the revivals within the geographical bounds of my District have been in our churches.

Bro. J. C. Brown on the Nichols Circuit has had three revivals with about two hundred and fifty accessions to the church. So great was the interest and ingathering that Bro. Brown decided to step out of college for the rest of the year and care for the new members of the church. He has had a glorious year.

Bro. Brooks at North English has had three revivals, at one place, Yankee Point, where former pastors had almost abandoned the cause. Bro. Brooks renewed the effort and had a glorious revival, so that as a year ago he gave the communion to about six, this year he gave it to about fifty members. But I must not go into details.

Bro. Seeds at Webster has had three splendid revivals, greatly strengthening the circuit in membership. Bro. Pike at Koszta has had a revival and is regenerating the Koszta Circuit. Bro. Morrison, W. Chester, Bro. E. A. Brinton, W. J. Scott, Jas. Priestnal, Bro. Fry at Ladora, Bro. Hamilton, at Tiffin, Bro. Dillon, at Williamsburg and Bro. J. E. Corley at Wilton, C. L. Jordan at Kalona, and A. L. Jordan at Sweetland have all had revivals. The largest numerical results, however, have been laid on the Muscatine Circuit and in First Church, Muscatine.

On the circuit the ingathering has been so great that I was asked to find an assistant pastor. I secured Bro. H. I. Rutledge to assist Bro. Conant on the circuit, and then, advising with Bishop Cranston and by request of First Church, I detached for the time Park Avenue from First Church and attached it to the Muscatine Circuit, so since February, Muscatine Circuit has had five appointments and two preachers.

Bro. Conant has done fine work in securing the results of the Sunday revival as well as in co-operating with Mr. Sunday in the meeting. Bro. J. C. Willits has had great and glorious increase in First Church so that a new church or an extensive remodeling of the present one is imperative. There is not seating room in First Church for much over one-half the membership. Bro. Willits has been oppressed with multitudinous labors this year. He has had to be almost omnipresent in a limited area. A similar situation confronts us at Washington. The church is too small to seat the membership or the Sunday School; they must rebuild or lose by sheer want of room.

BUILDING AND IMPROVEMENTS: Some new churches have

been started and one on the Kalona Circuit has been completed, where Bro. C. L. Jordon is pastor. Bro. Jordon has also begun a new church in Kalona, the foundation of which is already in. When completed, this church is to cost about \$5,000. Extensive and very beautifying repairs and improvements have been made at Amish, Blue Grass, Keota, Koszta, Ladora, Letts, Lexington, Lone Tree, Marengo, North English, Oxford, Riverside, Tiffin Circuit, Washington, Wellman, West Liberty, Williamsburg and Wilton. To describe all this work in detail would require too long a writing for this report.

The benevolent collections have been looked after by the pastors with commendable fidelity and in many places the people have responded well, but still greater results may be obtained.

The Sunday schools, Epworth Leagues, and Junior Leagues are in most instances very much on the increase and all doing good work. The Ladies' Aid Societies are especially to be commended for their helpfulness to the local churches.

J. A. BOATMAN.

Oskaloosa District.

Dear Fathers and Brethern:

Your Superintendent submits this report with acknowledgment of the universal kindness of the pastors and cordiality of the people. Nothing but profoundest gratitude is due our Heavenly Father for His sustaining grace and great loving kindness.

CHANGES: At the opening of the year each charge was supplied with a pastor except Taintor. Bro. G. W. Dennis, a superannuated member of the North Ohio Conference, was secured as a supply. Early in the year Bro. G. W. Pool, who had been appointed to Deep River, transferred to Nebraska. Bro. S. T. Shirley has supplied the charge with general acceptability. Bro. J. W. Somerville, the efficient pastor of Central Church, Oskaloosa for eight years, was transferred to First Church, Bloomington, Ill. Dr. Eugene Allen, a member of the Detroit Conference, was appointed to Oskaloosa and immediately won his way to the hearts of the people.

SICKNESS: While the angel of Death has mercifully passed by our parsonage homes, yet the work of the district has been materially interrupted by sickness. Mrs. McBride, Mrs. Cummins, Mrs. Slack, Bro. Handy and his daughter, Elsie, Bro. Powell and Bro. Shirley were hospital patients, each submitting to an operation. The results have been beneficial in each instance. Mrs. Hehner of Delta was brought low with pneumonia. At a moment

when death seemed inevitable the tide turned and God mercifully restored her.

It was with universal sorrow that the Iowa Conference learned of the illness of Bro. F. W. Adams, due to a stroke of paralysis which affected his left side and from which he has but partially recovered. Dr. T. B. Hughes was available for the emergency and rendered most acceptable service on the Malcom charge until April 1st, since which time Bro. Adams has been able for service. Great credit is due Mrs. Adams, who through the unspeakable anxiety of the year has displayed genuine heroism and rendered most efficient service.

CHURCH PROPERTY: Our church property in the main is in good condition. No large enterprise has been attempted, but many minor improvements have been made. At Oskaloosa a property was purchased and fitted up for a parsonage at a cost of \$4,000. The indebtedness on church property is slight and will be totally liquidated in the near future.

REVIVALS: Many excellent revivals have visited the district. It will not appear invidious to speak of that which was held at Newton under the direction of Mr. Honeywell, the churches of the city uniting. Our church reaped its full share. Credit is due Dr. Stoddard for the manner in which the church has cared for the converts, a large per cent of whom have been received into full membership. Special meetings have been held on almost every charge with the pastors, for the most part, their own evangelists. Their fidelity in this respect is worthy of record.

BENEVOLENCES: The financial unrest in the beginning of the year caused a reluctance on the part of our pastors to present the benevolent causes at that time. This hesitation on the part of a few was too protracted and a deficiency is the result. Some charges will report in full and a few will go beyond last year's contributions. I am more than ever convinced that the benevolences should receive attention early in the Conference year. Procrastination here is the thief of money. I regret to record an astonishing ignorance on the part of the people, even among official members, with regard to our connectional interests. A few contribute largely and intelligently, while many give indifferently or not at all. The prevailing opinion that we are giving vast sums disappears when we consider that the per diem for each member including all benevolences and adding the gifts of the W. F. M. S. and W. H. M. S. is about one-half cent.

No special work has been attempted this year such as Dr. Walker and Mrs. Ward carried on last year. The Woman's Foreign Missionary Society and the Woman's Home Missionary Society have evinced faithfulness worthy of commendation. In no instance has

their presence militated against the interests of the Parent Boards, rather are they a stimulus to giving.

LADIES' AID SOCIETIES: The energy, devotion and constancy of the women who constitute these societies merit our heartiest approbation. The amount of work accomplished and the contributions to the improvements and running expenses of our churches are almost incredible.

SUNDAY SCHOOLS: We hail with large expectation the new order in which our Sunday school interests are to become more prominent, and commend most heartily the wisdom and zeal of Dr. J. T. McFarland in providing a course in teacher training which cannot but result in great good. Very efficient work is being done by some schools, others labor under great disadvantages, while a renewed interest is characteristic of nearly all.

EPWORTH LEAGUE: An excellent District Epworth League convention was held at Pella in June. That there is need of a genuine awakening among our young people to the claims and possibilities of the League is beyond denial. In a few charges the Leagues under excellent leadership have maintained a high order of serviceableness and spirit; some that were once vigorous still live but at a poor dying rate. A strong District organization promises much good.

TEMPERANCE: It is apparent that we are in the midst of a great reform which promises to sweep the nation clean of the foul and blighting traffic in alcoholic beverages. Your superintendent has not hesitated to lay emphasis on the Christian duty of Methodists, and has been loyally supported by every pastor on the District. The motto of the recent General Conference has become the war cry of pastors and people, "A stainless flag, a saloonless nation."

It is our pleasure to commend without qualification the work of our District Superintendent, the Rev. C. S. Cooper, who at two District Conferences and in various charges has stirred the hearts of the people with Phillipics in a cause holier than that espoused by the Grecian orator, against a foe more relentless than Macedon.

ADVOCATES: I am grieved at the relatively small number of Advocates taken by our people. Church loyalty and permanent Christian activity must be based upon intelligence. I find about three hundred Advocates taken within the District. That this number is insufficient for the needs of our people cannot be denied. We believe our church press is well calculated to administer to the

needs of a constituency as varied in degrees of intelligence as in emotional aspects. Kindly but persistently the pastor must urge the claims of our own church papers in preference to all others and second to none in quality.

IOWA WESLEYAN: It is matter of regret that the showing in money raised and in students attending Iowa Wesleyan is not more creditable. It is the constant aim of pastors and superintendents to urge the aims of the Methodist college upon Methodist people and the rights of Wesleyan as supreme.

We welcome Dr. Schell to the presidency, assure him of our hearty co-operation and pray that under his leadership Iowa Wesleyan may be a star of increasing magnitude in the constellation of Christian colleges.

LIBRARY: Early in the year an honored member of the Iowa Conference, Dr. J. C. W. Coxe, carried out a carefully considered purpose and disposed of his private library, than which there were few superior in the Central West. Garrett Biblical Institute is enriched by the general library, while Wesleyan University, his Alma Mater, receives his entire Methodistica, a rare collection gathered through many years at no inconsiderable expenditure of money and effort.

SALARIES: Salaries were advanced about \$1,000 over last year. Most of these will be paid in full. Where a deficit occurs the cause lies not in the inability of the church to meet the apportionment, but is chiefly due to dilatoriness and haphazard financial methods. Some charges are greatly in need of a revival of genuine business tact and method. Aside from these we record with delight the faithfulness, devotion, patience and success of many stewards and other church officers.

DISTRICT CONFERENCE: Two sessions of the District Conference were held, one at Rose Hill, the other at Kellogg. These were well attended by the pastors, and were seasons of spiritual profit and intellectual stimulus.

FINALLY: In closing this report I gladly make acknowledgment of the excellent work done by my predecessor, and of the fidelity of the pastors. The year has been the busiest of my Christian ministry. I have preached on an average three times each Sunday besides addresses of one kind and another. I have traveled more than six thousand miles, not including my trip to Baltimore. I have earnestly desired the success of my Master's kingdom and have diligently labored to that end.

J. M. McCLELLAND.

Ottumwa District.

Dear Brethren:—

The Ottumwa District is composed of twenty-nine pastoral charges and eighty-three preaching appointments; an average of nearly three societies to each charge.

The boundaries of this district inclose some 3,780 square miles, an average of more than 135 square miles to each charge. Our congregations aggregate 14,000 representing 7,000 members; 600 probationers and 6,400 adherents. We number as Epworth Leaguers, 1,200; as Sunday school scholars, 6,400. Our twenty-nine charges are manned with twenty-three members of the annual conference, five probationers and four local preachers as assistants. Our eighty-three societies are organized with four hundred and ninety-eight trustees; one hundred and twelve class leaders, seventy Sunday school superintendents and twenty-three Epworth League presidents. In the discharge of our district duties this year we have travelled some 6,000 miles by rail and 1,800 miles by other conveyance. The past year has in many respects proven a happy one. The pastors have all been loyal, industrious and religious. The statistical reports will show not a large but quite general advance.

CHURCH AND PARSONAGE IMPROVEMENT: A neat church, costing complete, including walks, \$2,400 was dedicated at Blakesburg in April free from debt. Rev. E. J. Shook preached the sermon and handled the finances with success. The pastor, J. E. Ward, and his small class of members deserve much credit for the success of this enterprise. The new Epworth Chapel on the Farson charge will be ready for dedication this month. It will cost \$2,400 and was nearly all in hand before ground was broken. The pastor, T. J. Pettit, has also added a new barn costing \$150 to the parsonage grounds.

At Lovilla a modern and convenient new church is well under way and will be ready to dedicate in November. This building will represent a valuation of \$5,000, and is a credit to our growing Methodism at that place. The pastor, B. G. Hankin, has practically the full cost provided for.

At Pekin on the Martinsburg charge the class has purchased a substantial Union Chapel and are laying plans to remodel the same. J. C. Kendrick is pastor. To these new improvements we append other items of church and parsonage improvements, with cost, as follows:

Batavia—Church and parsonage painted and interior of church improved by steel ceiling and frescoe, \$300.00.

Moravia—New parsonage barn, and church painted, \$275.00.

Hedrick—Parsonage improved, \$40.00.

Albia—Parsonage improved and new furnace added, \$265.00.

Willard St. parsonage improved, \$130.00.

Attica—Churches improved at three of the points to the amount of \$150.00 and a subscription of several hundred dollars has been taken to remodel the Zion church.

Sigourney—The church has spent some \$350.00 in street paving.

Kirkville—Church new roofed and papered, \$260.00. and parsonage papered, \$45.00.

Bussey—Has a new roof on church and Tracy church neatly painted, \$152.00.

Hamilton—Three churches improved at cost of \$400.00.

Fremont—New cement walks and other improvements on church, \$400.00.

Harvey—Church frescoed and other items, \$200.00.

Brighton—Church windows re-leaded, new piano placed and Sunday school library added, \$400.00.

Iconium—Church painted and new cement walks, \$200.00.

Durham—Parsonage and barn painted, barn new roofed, and entire premises neatly fenced, \$150.00.

Total paid for building and improving will aggregate \$14,000.00.

EVANGELISTIC: The number of conversions this year are about that of last, but they are more generally distributed; nearly all the charges having been blessed with good revivals. The number of probationers reported will not equal a year ago, owing to the General Conference legislation effecting our probationary system enabling pastors to receive into full connections before conference. This is quite an advantage where pastoral changes are to occur.

SUNDAY SCHOOLS: No change has occurred in the number of our schools since last reported. They are all supplied with our literature, which is the best in the World. Quarterly conference reports show a good number of conversions.

EPWORTH LEAGUES: This important institution continues to grow in its specific grace and usefulness. As I contrast the spiritual and devotional conditions where leagues do and do not exist, my appreciation abounds. The District Convention was held in June at Moravia, and was characterized by spiritual fervor.

Ladies' Aid Societies contributed this year \$5,000.00 for various purposes within the District.

Both the W. F. M. & W. H. M. S. are well organized among us, and each held successful and enthusiastic conventions. The first at Main Street, Ottumwa, and the second at Albia.

DISTRICT CONFERENCE: But one session of the District Conference was held this year. We met at Knoxville in July and with but two exceptions all the pastors were present. The program was rich and greatly enjoyed. Bishop Quayle was present on Tuesday evening and Wednesday morning and gave two splendid addresses. Dr. Schell represented our university and Christian education in an inspiring and helpful way.

I. W. U.: This District renews its pledge of loyalty and benevolence to our college. This institution continues to grow in the appreciation of our people and they are expecting splendid results in co-operation with their new president, Dr. Schell.

Rev. U. B. Smith, appointed by this conference to the superintendency of the Home Finding Society has his headquarters in this city. This praiseworthy institution is deserving and receiving the liberal patronage and support of our people.

Rev. C. S. Cooper, appointed by this Conference, District Superintendent of the State Anti-Saloon League, is abundant in prolific service in behalf of law enforcement and the promulgation of the federated movement for a prohibitory amendment to our Iowa constitution. If this movement succeeds and if our Methodism does her part—it will, the liquor traffic will have received its death blow within our state. It should come to be understood that where a Methodist church is, may be found two things: First, the friend of the drunkard and his dependents, and second, an organization of eternal pledged enmity against the saloon and its traffic which outrages every law of decency, of love and life.

MINISTERIAL SUPPORT: At the beginning of the year 15 of our 29 charges made an average advance of \$100.00 each in ministerial support, and this total was increased by advances in some other charges. We trust and expect that all these claims will be met in full.

BENEVOLENCES: If the reports made at the Fourth Quarterly Conferences are any criterion, our district has made a reasonable advance over last year in its benevolences. I am confident this is true touching the educational claim. Our district is not yet giving what it should, but it is growing in the grace of giving and will give more when it is better informed. We plan a campaign of

enlightment for next year, believing our laymen so loyal on other lines, will respond when made acquainted with the merits and needs of their institutions.

IN CONCLUSION: I wish to publicly express my gratitude to God for his abundant mercies and unspeakable goodness, and my sincere appreciation of the loyal co-operation and the heroic service of that splendid body of men and women which dwell in the parsonage homes of this district, and for whom we pray,

“Jesus, the truth and power divine,
Send forth these messengers of thine,
Their hands conform, their hearts inspire
And touch their lips with hallowed fire.”

Respectfully submitted,

H. NEWTON SMITH, D. S.

REPORTS OF DISCIPLINARY COMMITTEES

AMERICAN BIBLE SOCIETY.

The American Bible Society is the Agency by which our Church, in common with others, acts in securing the translation, publication and distribution of the Holy Scriptures both at home and abroad. The Society has always been the effective servant and fellow-helper of all our Missionary Agencies. The diverse populations of this country, and the vast masses in non-Christian countries accessible to the Colporteur as never before, are so taxing its resources that an increased and certain revenue is imperatively needed.

We heartily commend the Bible Colporteur work among the foreign-speaking people, as conducted by the Northwestern Agency in Iowa and other foreign settlements of the Northwest. We believe that this Bible Missionary work, as done by colporteurs speaking the native language of the immigrant, is a very great aid to the Church in winning these people to a knowledge of Christ.

Your Church notes with pleasure the generous offer of Mrs. Russell Sage of New York City, to give half a million dollars provided the society shall raise a like amount during its calendar year, the whole to be used as a Perpetual Endowment Fund.

We recommend that, in accordance and obedience to the instruction of the Discipline, that all our churches make an annual offering to the Society. And further, that the churches, without diminishing their regular annual gifts, shall lend a hand so far as possible to aid the Society in raising this money; and it commends to men, and especially to women of large wealth, the propriety of completing the endowment made possible by Mrs. Sage's offer.

BOOKS AND PERIODICALS.

We are happy that success has again crowned the labors of our Publishing Agents and that increased business and larger profits have resulted therefrom. We wish to record our appreciation of the earnest effort of our Editors and Publishing Agents to place in the hands of our people better religious books and papers than can be found any where else. We wish especially to express our appreciation of the earnest desire of the Editor of the Central Christian Advocate to help the Christian people of Iowa in their fight against the saloon. We believe that the Sunday school literature published by the Methodist Book Concern is among the best

in the world and that as loyal, intelligent Methodists there should be found in every Methodist home one of our own church papers and in every Methodist Sunday school our own literature.

HOME MISSIONS AND CHURCH EXTENSION.

The Board of Home Missions and Church Extension as now constituted and its work as defined by the General Conference meets our hearty approval. The slogan "America for Christ," should find a welcome response from every Christian patriot. We congratulate the church upon her choice of such efficient leadership, but recognizing that the final responsibility in the matter must rest upon the pastors and people, we urge the greatest possible co-operation. To this end we recommend that the pastors inform themselves with reference to the needs of the field, and use all diligence in disseminating this information; that the Christian Republic be placed in as many homes as possible, and that all be enlisted in earnest prayer for our native land, the land we love the best.

Respectfully submitted,

COMMITTEE.

REPORT OF COMMITTEE ON EDUCATION.

Your committee on Education beg leave to report that:

1st. Recognizing the importance of our Church Educational Loan Fund for Students, we urge that special attention be given to the observance of Children's Day and its collection for the Student's Loan Fund.

2d. In the interest of our Iowa Wesleyan University as the one institution of greatest vital importance to the Conference, we as a Conference extend to Dr. E. A. Schell, the newly elected president, a most cordial welcome to our midst, our pulpits, our people, and our homes, and pledge him our most hearty co-operation in carrying forward the great interests of our university, (1) by giving him the right-of-way whenever possible for him to visit our charges, (2) by giving special attention to the educational collection taken up each year for the Iowa Wesleyan University in our churches and will make the effort to raise the full apportionment of 25 cents per member.

3d. Recognizing that the great need of the university is an ever increasing enrollment of students, we pledge ourselves to personal and untiring effort in way of awakening among our young people a desire for Christian college education and in directing them to the Iowa Wesleyan University as the best place to obtain such an education.

4th. Recognizing the excellent facilities for work, and the superior work being done by the Woman's College of Baltimore, and the Woman's College of Jacksonville, Illinois, we advise that when we find among our people those who prefer for their daughters institutions of this kind, to co-educational colleges, that they direct them to one of the above colleges for women.

5th. We call attention to the following from Dr. Nicholson, which we recommend being published with this report in the Conference Year Book.

(1) The Children's Day Fund, taken in the Sunday school on the second Sunday in June. This is for Student Aid and belongs to the Board of Education. It should be sent to New York and should be carefully discriminated from the Rally Day collection in October, which is for the Board of Sunday schools and which should be sent to Dr. D. G. Downey, Chicago, Illinois.

(2) The church collection, taken in the church congregation on the second Sunday in June, which is for the aid of our white schools in the South and the proceeds of which should be sent to the Board of Education at New York.

(3) The Conference Educational Collection, taken at whatever time your conference orders. This is for the aid of the denominational college or colleges, in your own territory and should be sent to the president of such institution as your conference directs, or be paid over to the conference treasurer for these local institutions. If we may suggest, it would probably be best to designate it "Local Educational Interests."

You will not only observe us but all the interests involved, if you will take special care to have this clearly understood by all the members and supplies in your conference—indeed, by all our people.

Sincerely yours,

THOMAS NICHOLSON.

5th. We advise our young men when preparing for the ministry when possible after finishing the regular college course, that they take a theological course in one of the Theological schools, Drew, Boston, or Garrett.

7th. We recommend as Visitor to the Illinois Woman's College at Jacksonville, I. B. Schreckengast. To Garrett Biblical Institute W. H. Perdew, 1 year, and U. S. Smith, 2 years. To I. W. U., J. H. Koch, ————— As trustees for Iowa Wesleyan University, A. V. Hendrick, Thos. Osborn and W. F. Kopp.

8th. In the interest of economy in behalf of the university, we suggest that when pastors use the president or members of the

faculty as supplies for their pulpits, they provide for their expenses, in rendering such service.

C. L. STAFFORD,
LATHAN INGHAM,
JOHN C. WILLITS.

REPORT OF COMMITTEE ON FOREIGN MISSIONS.

There is occasion for deep gratitude to God for the latter-day victories in the field of missions, and especially for the awakening conscience of Christ's church in the matter of the consecration of life and treasure to the propagation of the Gospel in foreign lands. We express grateful appreciation of the steady growth in zeal and effective methods evinced by the laity of the several denominations who seem determined that a phenomenal advance in offerings shall be made. And, while we pray for the success of all churches in all such efforts, we especially urge the membership of Iowa Conference, both lay and ministerial to strive by all Christ-like means to make the coming twelvemonth the greatest missionary year we have known. We especially exhort the brethren of the Conference to make the most of the October week of self-denial, not simply as a money-getting enterprise, but as truly a period of spiritual recuperation and advancement.

COMMITTEE.

THE FREEDMAN'S AID SOCIETY.

Your committee reports as follows:

We approve of the action of the General Conference in creating an Freedman's Aid Society of the Episcopal church.

We promise our support since the twenty-four schools and colleges under the management of this society furnish the best means of providing Christian leadership for our 350,000 colored members and their families and assume a large share of the responsibility of uplifting the 10,000,000 black people in the United States.

We are persuaded that the society offers the very best solution of the race problem—namely, the Christianizing and educating of the black man, making of him a useful and worthy citizen.

The society has selected the Sunday nearest Lincoln's birthday as a most suitable day to present the cause of the colored race. We recommend the observance of the day.

EPWORTH LEAGUE.

Your Epworth League committee reports as follows:

We believe the action of the General Conference to be wise

in placing the support of the administrative work of the League directly upon the local chapters and making the contribution one of the disciplinary collection...

We recommend that every chapter send at least one delegate to the Iowa State Epworth League convention, Nov. 26-29, 1908.

We urge that an effort be made to increase the circulation of the Epworth Herald.

That special emphasis be placed on Mission and Bible study and that the weekly devotional meetings be made as helpful as possible in developing the spiritual life of our young people.

REPORT OF COMMITTEE ON EVANGELISM.

We rejoice in the spirit of evangelism manifested in the number of conversions in the meetings where the pastors have been their own evangelists and commend this plan to all.

We also suggest that Sunday evening's services be made evangelistic. We heartily co-operate with any plan suggested by the commission on Evangelism and are in full accord with that commission in winning the world for Christ.

REPORT OF COMMITTEE ON THE SABBATH.

The Sabbath of God was made for man. It is man's Sabbath. It exhales fragrance through all the days. It imparts inspiration and strength for all duties and privileges to all people who reverently observe it. It is the friend of man and last, of body and mind, of home and school, of business and health, of parent and child, of character and civilization. All who desecrate it are, wittingly or unwittingly, foes of God's Kingdom, and great obstacles in the way of man's realization of highest ideals.

We therefore appeal to all classes to loyally and rationally use it as God intended it to be used. We appeal to all employers of labor and to all corporations, to grant to their employes, to the utmost possibility, the privilege of a religious use of God's and man's holy time.

We appeal to our legislature, and to all municipalities, for such legislation, state and municipal, as will distinctly outlaw all unnecessary Sabbath traffic and labor and all sports and games on the Sabbath, that degrade and demoralize the boys and young men of town and country. We also ask the legislators to so define the word "restaurant" as will shut up and shut out the unmitigated nuisances that flourish under the name, in every village and town in the state.

We call upon and urge Methodist fathers and mothers to

cut out social Sunday visiting, Sunday dinners and Sunday papers, Sunday travel and all other things that cannot be done in the name of, and to the honor of, the Lord Jesus Christ.

For the Committee.

J. E. Corley.

REPORT OF COMMITTEES STATE OF THE COUNTY.

We voice our gratitude to God that during the past period of commercial depression, his servants have continued their benefactions and we look forward with hopefulness to the return of prosperity.

We are thankful that there is prevailing among the people a spirit and sentiment which compels the observance and enforcement of civil law and deprecates all expressions of mob violence whether in spirit or by overt act.

We are glad that God has made some men rich both in purse and in the spirit of benevolence so that they do not cease to give of their riches out of large hearts to the glory of God and the blessing of mankind.

We have reasons for thanksgiving for the great good coming to us through our public school system, for the cultivation of our moral and religious natures by means of the pulpit, press and lecture and Chautauqua bureaus.

We record with gratitude the fact that the spirit of brotherhood has met the foreign-speaking people landing on our shores, has hunted them up in our cities, followed them out on the frontier and into the mining camps and taught them in their native tongue eternal truths by means of missionaries and Bible readers.

We are grateful at the position taken by the chief executive of our country, by the governor of many states and by not a few magistrates upon questions touching morals and civic righteousness. We deplore the fact that there are still in positions of power men who exercise the influence of their great office in behalf of those interests that obstruct the forces of righteousness. Notably among those whose power has been used to protect evil and defeat the good is Hon. Joseph G. Cannon, Speaker of the House of Representatives of the United States. We charge that under the plea of "unconstitutionality," he is responsible for the holding up of the Littlefield Bill in defiance of the best moral sentiment of the nation and in utter disregard of the petitions of moral and religious organizations and opinions of jurists of equal eminence with himself. We declare in harmony with the deliverance of our General Conference that such legislation doubts should be "resolved in the interests of righteousness" and we join the board of bishops of our church in the

declaration that such men should no longer receive the support of men who are governed by moral and Christian principles. We believe that righteousness would be served if he were not re-elected either as speaker of the house or as representative of the district.

W. L. CLAPP,

Secretary Committee State of the Country.

REPORT OF THE COMMITTEE ON SUNDAY SCHOOLS.

Your committee on Sunday Schools, present the following report:

Whereas, The General Conference of 1908, created the Board of Sunday Schools for the Methodist Episcopal church, whose business it is to keep the church fully abreast of the times in the operations of this great agency for the salvation of the world; and in order to give efficiency to, and to fully co-operate with the board in its work, therefore be it resolved,

That we as a conference comply with the request of Dr. Downey, the corresponding secretary of the board in these particulars.

1st. The appointment of a Conference Board of Sunday Schools, consisting of one minister and one layman from each district, to be nominated by the district superintendents and elected by the Conference. Of this board, the district superintendents shall be ex-officio members. The said board shall have general oversight of the Sunday school interests of the Conference, according to the plan of organization and work, suggested by the Board of Sunday Schools for the Methodist Episcopal church.

2nd. The observance by us as pastors of the last Sunday in October, or such Sunday as may be most convenient, as Sunday School Day, upon which a collection shall be taken in our churches for the advancement and maintenance of our Sunday school work throughout the bonds of the church, according to paragraph 349, section 6 of the Discipline.

TEMPERANCE COMMITTEE REPORT.

We commend to all of our churches the work of the Temperance Society of the Methodist Episcopal church, which is the official organization within the church to carry on and encourage temperance work in all the departments of church activity.

We urge all churches to hold a temperance anniversary during the year under the auspices of the Quarterly Conference Temperance Committee, to take up a collection for the use of the Temperance

Society, and that each Sunday school gives its collection on one of the Temperance Sundays for the use of this society at least to the amount of one dollar from each school.

We urge that in every Sunday school on temperance Sundays an opportunity be given to sign the total abstinence pledge.

Whereas, Complete enforcement of state and local prohibition laws will not be possible until the passage of the "Inter-State Liquor Shipment" bill, or a similar measure, to protect the states in the enforcement of their valid enactments; and, whereas, this measure is so reasonable and the sentiment in favor of it is so strong that it is generally believed that it will pass when ever it is brought to a vote; and, whereas, although it has been pending at least five years Congress has not yet been allowed to vote upon it; and, whereas, the Speaker of the National House of Representatives absolutely controls the procedure of the House;

Therefore be it resolved, That we respectfully petition Congress to pass this measure in the form approved by the accredited representatives of the Anti-Saloon League of America; and be it further resolved, that we advise our people to vote this fall for candidates for Congress who will not only vote, but who will also agree to support for Speaker a man who will give them a chance to vote upon it.

With great pleasure we hereby re-affirm the action of our General Conference at Baltimore, Maryland, in its endorsement of

THE ANTI-SALOON LEAGUE.

"While the church is peculiarly qualified to give temperance instruction and create sentiment against the liquor traffic and cannot escape its responsibility for such work by turning it over to any organization which it does not directly control, yet, since no denomination alone can successfully secure legislation or compel the enforcement of law, we recognize the fact that our churches throughout the United States are already winning sweeping victories in this field through the Anti-Saloon League movement and are contributing large sums of money for its maintenance, therefore we endorse the Anti-Saloon League of America as a safe and effective agency through which the membership of the Methodist Episcopal Church may co-operate with members of other churches and temperance organizations for united action against the saloon, and hereby call upon our churches and pastors to continue increasingly their co-operation in carrying forward its work.

We desire also to record our endorsement of the Woman's Christian Temperance Union, and rejoice in the effective work of the organization in securing temperance legislation aiding greatly in the final overthrow of the liquor traffic.

We heartily endorse the "Constitutional Amendment Federation of Iowa" and pledge our active co-operation, within our charges, in the work of securing petitions to the legislature and further we hereby call upon our brethren in the other Methodist Conferences of Iowa and upon all other good citizens of our state to the end, that, we may strike together and together sweep the iniquitous liquor traffic from the map of Iowa by a constitutional amendment forever prohibiting the manufacture and sale of all intoxicating liquors. in our state.

Resolved, That we hereby authorize our brother, C. S. Cooper, to convey the greetings of this body to the three other conferences in Iowa, namly, the Des Moines, Upper Iowa and North West Iowa, and assure our brethren of these conferences of our very earnest desire to co-operate with them, through the agency of the Anti-Saloon League, to the end, that, all Iowa Methodism with united voice and concerted action, may best help in securing the expulsion of the entire liquor traffic from our state. That our Iowa may speedily come unto her own, under a stainless flag waving triumphantly over a saloonless land.

The secretary will please to furnish the bearer with proper credentials and a certified copy of this action.

We greatly appreciate the good work of the Iowa Anti-Saloon League. In the legislature it is very helpful in securing enactment of wholesome temperance laws and in defeating proposed measures favoring liquor interests. It secures many valuable decisions from the Supreme Court, greatly aiding the cause of temperance. It is active everywhere stimulating public sentiment for law enforcement against the liquor traffic. We will do all in our power for its permanent success.

We nominate C. L. Tennant and Eugene Allen as our trustees of the Anti-Saloon League, and also nominate C. S. Cooper as our voting delegate and Member of the Board of Control of the Constitutional Amendment Federation.

We respectfully request our presiding Bishop Quayle to re-appoint C. S. Cooper as District Superintendent of the Iowa Anti-Saloon League. In confidence and good faith we pledge him our support in his work.

Resolved, that it is the desire of this conference, that, the committee on Program of Public Worship, for the next session, shall provide for a temperance anniversary, as the Discipline directs and make no other provision in lieu of this. We want a Temperance Anniversary.

Resolved, That we very earnestly and respectfully call the attention of the attorney general of the state, to the open violation

of the liquor laws, in some localities of Southeastern Iowa, especially in the towns of Eldon and Eddyville in Wapello County, where saloons are running day and night, in open violation and defiance of our state law. In as much as he frequently declared for the honest enforcement of the laws, we make this appeal to him, hoping for speedy relief to the great comfort and safety of the law-abiding citizens living in and nearby the towns above mentioned.

The secretary of this Conference is hereby directed to transmit immediately a certified copy of this action to the office of Attorney General Byers, at Des Moines, Iowa.

REPORT OF COMMITTEE ON W. F. M. S.

Whereas, We recognize the need of womanhood and girlhood in foreign lands and realize in the W. F. M. S. the most efficient agency for meeting this need, therefore be it resolved,

1st. That as pastors we pledge our hearty co-operation with this organization.

2nd. That we urge all pastors to make all possible effort to organize societies within the bounds of their charges.

COMMITTEE.

WOMAN'S HOME MISSIONARY SOCIETY.

Whereas, In the province of our Heavenly Father great responsibility has been thrust upon us in the influx of foreigners, especially those congregating in our large cities, by the needs of our fellowmen and women in the Southland, in Utah and among the Indians and, whereas, the Woman's Home Missionary Society has been and is attempting to meet all these responsibilities;

Resolved, That we invite the representatives of this society to our charges and ask their aid in bringing our people to recognize the privileges of Christian service in our own land.

Furthermore be it resolved, That we record our hearty appreciation of the work done in Graham Hospital at Keokuk, under the efficient direction of Mrs. L. G. Murphy and pledge our support to this, our Conference Hospital.

REPORT OF COMMITTEE ON LABOR DAY RESOLUTIONS.

Whereas: The laborer is an essential factor in the creation of prosperity and wealth, and the conditions under which this labor is performed is often a menace to health and life, and inasmuch as the selfish greed of individuals, business firms and corporation is depriving many toilers of their just dues in wages and time to devote to their interests in the home, the state and the church; therefore, be it resolved, by the Iowa Annual Conference of the Methodist Episcopal Church;

- I. That we are in hearty sympathy with these toilers.
- II. That we rejoice in the betterment of conditions that have

come to many forms of labor, and hereby give assurance of our interest in all legitimate efforts for continued improvement.

III. That we call upon railway, express and telegraph companies in particular, to hear the petition of employes and reduce Sunday work to the minimum.

IV. That on this day set apart in the interests of the laborer, the Iowa Conference sends greeting to all laborers, but more especially to those among whom we live.

Whereas, On the 13th day of September A. D. 1858, at the session of the Iowa Annual Conference of the Methodist Episcopal Church, held at Fairfield, Iowa, Bishop Thomas A. Morris, presiding, our beloved brother and friend, Rev. Emory Miller, D. D., was admitted on trial in the Conference; and, whereas, we understand that at the approaching session of the Des Moines Conference, to be held at Clarinda, Iowa, September 9, 1908, upon the completion of his fiftieth year of effective service in the church, it is his purpose to retire from the effective ministry;

Therefore resolved, That we recognize the long and useful labors of our brother, first in this conference, and afterwards in the Upper Iowa and Des Moines Conferences, and both as a preacher of the Word, and as the author of works of great value to the whole church; and we congratulate him on his success and standing as a public servant in the church and especially in the state of Iowa.

2nd. That we pray for him many years of continued usefulness, of a blessed Christian experience, and a final fulfilment of the promise, "At even it shall be light."

MISSIONARY RESOLUTIONS.

Whereas, In all the history of the church the opportunities and needs of the Board of Foreign Missions have never been so great, and,

Whereas, The treasury of this board is now threatened with a deficiency of one hundred and twenty-five thousand dollars, making a cut instead of the much needed advance necessary;

Therefore be it resolved by the Iowa Annual Conference, That we will at some time before the 18th of October make a statement of the facts to all our people (and call them to a work of earnest prayer and selfdenial) and take an offering to meet this great emergency.

ON SUNDAY SCHOOLS.

Whereas, There are some so-called Union Sunday schools housed in some of our churches in communities where no other denominational organizations exist, and,

Whereas, Such Union Sunday schools cannot be reported as ours statistically, fail to contribute to the benevolent enterprises of the church, and use helps and literature not published by our own denomination, and embarrass our pastors in reaping and conserving the spiritual good of the communities served,

Therefore be it resolved, That we protest against our pastors permitting such mis-named Sunday schools being organized and housed in our churches.

MEMOIRS.

FRANK E. BRUSH.

The subject of this sketch was born March 15th, 1853. at Stockport, New York, and was called unto rest March 17th, 1908, at Ottumwa, Iowa.

He joined the Upper Iowa Conference in 1877 and after having served some of its most important appointments, he was transferred

to the Iowa Conference 1896 and appointed to First Church Ottumwa, which charge he served most acceptedly for five years.

On the 17th day of May 1877 he was united in marriage to Miss Nellie E. Stone, of Evanston, Ill. To this union was born one son, William Burritt Brush. His wife and son survive him.

For seven years he wandered about in search of health but found no relief. He was in the prime of his manhood, being but 55 years of age, when he passed away. Though his work was thus cut short, it was in a marked degree fruitful in the places he served. A parishioner says, "as a pastor, he was diligent, sympathetic and watchful over his entire congregation. Through his careful, judicious and capable leadership the membership of his church was united and moulded into a powerful influence for good." No more fitting tribute for this man of God, can be given than that which is expressed by one in the educational circles of the state. He says, "For him the ministry was not a profession, but a high and holy mission—the cure of souls—and to it he gave himself heartily and wholly. Thus it pleases God to call his servants. One by one they are crossing to make bright the land beyond the grave. Of the many who have gone to their reward, Frank E. Brush is among the brightest. We miss him but the assurance is ours that he is at rest from all his trials and sufferings."

FRANK W. EVANS

Frank W. Evans, D. D., was born in Pittsburg, Pa., March 17th, 1829, and died at Des Moines, Iowa, September 3rd, 1908., aged 79 years 4 months and 16 days. When ten years old he came to Lee County, Iowa, and his early education was had at Fort Madison. Of the particulars of his early religious history we are not informed; but he was converted when a youth, and united with the Methodist Episcopal church; and being approved, he was licensed to preach, and was admitted on trial in the Iowa Conference in 1851, in which he graduated to membership and orders. His breaking in to the work of an itinerant was on the large circuits of the early days, and the first three years were employed on the Pittsburg (Ia.), Farmington and Montrose circuits. In 1854 he was sent as the first pastor to the Chatham Square station, Keokuk; but he was almost immediately removed to fill a vacancy at Bloomfield, caused by the resignation of Henry Clay Dean. His subsequent appointments were: 1855, Montrose again; 1856-7, Albia; 1858, Ottumwa; 1859, Exchange St., Keokuk; 1860-61, Muscatine; 1862-3, Chaplain Thirty-fifth infantry; 1864, Keosauqua; 1865-6, Albia again; 1867, Washington; 1868-70, Muscatine District; 1871-2, Old Zion church, Burlington; 1873-4, Osceola (Des Moines Conference), 1875-7, Mt. Pleasant (Iowa Conference); 1880-81, Fairfield; 1882-4, First Church, Oskaloosa; 1885-8, Knoxville. That list of appointments sufficiently attests his ability. At a very early period he established his reputation as a pulpit orator; and his Zacchean stature made him appear juvenile, and gave him the title of "The Boy Preacher." And, barring his personality, he had all the qualifications of an orator; the bright intellect; the clear understanding; the brilliant imagination; the quick sensibility; the musical voice and the ready use of well chosen words, combined with appropriate gestures. MEMOIRS.

FRANK E. BRUSH.

The subject of this sketch was born March 15th, 1853. at Stockport, New York, and was called unto rest March 17th, 1908, at Ottumwa, Iowa.

He joined the Upper Iowa Conference in 1877 and after having served some of its most important appointments, he was transferred

to the Iowa Conference 1896 and appointed to First Church Ottumwa, which charge he served most acceptedly for five years.

On the 17th day of May 1877 he was united in marriage to Miss Nellie E. Stone, of Evanston, Ill. To this union was born one son, William Burritt Brush. His wife and son survive him.

For seven years he wandered about in search of health but found no relief. He was in the prime of his manhood, being but 55 years of age, when he passed away. Though his work was thus cut short, it was in a marked degree fruitful in the places he served. A parishioner says, "as a pastor, he was diligent, sympathetic and watchful over his entire congregation. Through his careful, judicious and capable leadership the membership of his church was united and moulded into a powerful influence for good." No more fitting tribute for this man of God, can be given than that which is expressed by one in the educational circles of the state. He says, "For him the ministry was not a profession, but a high and holy mission—the cure of souls—and to it he gave himself heartily and wholly. Thus it pleases God to call his servants. One by one they are crossing to make bright the land beyond the grave. Of the many who have gone to their reward, Frank E. Brush is among the brightest. We miss him but the assurance is ours that he is at rest from all his trials and sufferings."

FRANK W. EVANS

Frank W. Evans, D. D., was born in Pittsburg, Pa., March 17th, 1829, and died at Des Moines, Iowa, September 3rd, 1908., aged 79 years 4 months and 16 days. When ten years old he came to Lee County, Iowa, and his early education was had at Fort Madison. Of the particulars of his early religious history we are not informed; but he was converted when a youth, and united with the Methodist Episcopal church; and being approved, he was licensed to preach, and was admitted on trial in the Iowa Conference in 1851, in which he graduated to membership and orders. His breaking in to the work of an itinerant was on the large circuits of the early days, and the first three years were employed on the Pittsburg (Ia.), Farmington and Montrose circuits. In 1854 he was sent as the first pastor to the Chatham Square station, Keokuk; but he was almost immediately removed to fill a vacancy at Bloomfield, caused by the resignation of Henry Clay Dean. His subsequent appointments were: 1855, Montrose again; 1856-7, Albion; 1858, Ottumwa; 1859, Exchange St., Keokuk; 1860-61, Muscatine; 1862-3, Chaplain Thirty-fifth infantry; 1864, Keosauqua; 1865-6, Albion again; 1867, Washington; 1868-70, Muscatine District; 1871-2, Old Zion church, Burlington; 1873-4, Osceola (Des Moines Conference), 1875-7, Mt. Pleasant (Iowa Conference); 1880-81, Fairfield; 1882-4, First Church, Oskaloosa; 1885-8, Knoxville. That list of appointments sufficiently attests his ability. At a very early period he established his reputation as a pulpit orator; and his Zacchean stature made him appear juvenile, and gave him the title of "The Boy Preacher." And, barring his personality, he had all the qualifications of an orator; the bright intellect; the clear understanding; the brilliant imagination; the quick sensibility; the musical voice and the ready use of well chosen words, combined with appropriate gestures. And the people flocked

to hear him. At a camp meeting near Monroe, in 1857, at which were present such masters of the pulpit as Drs. Charles Elliott, Lucien W. Berry, and John H. Power, Frank Evans was the man for the multitude. A brother at the recent conference said to me that he had seen the day when he would have gone any time twenty miles to hear him preach. He was also early recognized as a masterful disputant, and many a champion of some new fangled ism fell before his lance. A close student of the Word, and well informed as to the doctrines, polity and history of the church, he was always ready to defend those principles that he regarded as vital. And he never went unprepared to one of these theological tournaments. His searching and incisive logic took notice of every phase of any subject he examined, however recondite or minute, and his assailant would find himself confused by the novelty, variety and multiplicity of his arguments, as he could be overwhelmed by the torrent of words which he uttered in stating and defending the points under review. In this manner he formed a habit of controversy that sometimes tinged his sermons, and had better have been avoided. Yet he was a spiritual preacher, and often there were signs following the word that he proclaimed. Withal he was peculiarly sensitive, and I have known him, disturbed by even a slight interruption, to close his Bible in the midst of a discourse, and sit down, declaring that it was impossible for him to proceed. But on other occasions he would overcome the embarrassment with a ready repartee, and proceed untrammelled. I should add that in 1872, he served as a delegate from the Iowa to the General Conference at Brooklyn, N. Y. July 19th, 1855, he was married to Miss Martha Dickerhoff of Bloomfield; who, with a son and two daughters, survive him.

In 1889 he took a supernumerary relation to the conference, and later was placed on the list of superannuates. During this period he fixed his residence at Des Moines, and occupied himself in lecturing for the Odd Fellows and other civic orders, and aiding in the temperance movement. He also often preached in the Methodist and other pulpits, and addressed Old Peoples' and other gatherings, and throughout he maintained the confidence and respect of his brethren and of the public. His health had been breaking for some time past; and last winter he suffered a severe spell of la grippe, from which he partially recovered; but an attack of appendicitis completed the work and ended his life. His funeral, on September 6th, was largely attended. Dr. O. H. Fifer, his pastor, had charge of the services, and was assisted by Revs. Emory Miller, W. B. Thompson and C. P. Johnson, of the Des Moines Conference, and J. C. Kendrick and G. W. Byrkit, of the Iowa Conference; and appropriate remarks were made by Brothers Miller and Kendrick, and the Grand Secretary of the Grand Lodge of Odd Fellows of Iowa. The body was then taken in charge by the Odd Fellows, and conveyed to the Waveland cemetery for interment.
